CLASS OF '69

As we the Seniors of Tennessee High leave, we realize that this is a time of both happiness and sadness. There is a happiness in having achieved a high standard of learning and moving foward to a new phase of life. There is a happiness in realizing that there are even greater goals to reach. Yet, there is a sadness of leaving close friends and teachers whom we have come to respect and appreciate. We share a sadness in knowing that we will never again be able to participate in the Various Activities of THS, such as V-T Week, Twrip Week, and Senior Week. As we go, we realize we will miss the friendliness of THS, the horseplay in the halls, and the bits of humor in our classes.

As we finish out our last year, we each will enter our own worlds. Most of us will be on our own for the first time at college or earning a living, and we appreciate what our beloved Alma Mater has given us.

CADMUS

While most were enjoying an August vacation, members of the Cadmus Club were occupied in the selling of advertisements to local businesses. MAROON & WHITE

Members of the Maroon & White Staff are trained in all phases of journalism. Because they must accept many responsibilities, the members develop great leadership potential, a sense of personal responsibility, and the initiative to go ahead. Their publications, the *Maroon & White* and the football programs, inform and serve the students and faculty of Tennessee High School.

In addition to the publication of a monthly newspaper, the *Maroon & White* staff also sells football programs, sends members to the U.T. summer journalism workshop, and is in charge of many other helpful activities, contests and programs.

Andy,

To the greatest guy in the whole wide world! I've never met anyone like you before, and I don't think I ever will. You're a wonderful person and you have a great personality! Don't ever change! Whenever I'm with you I have the most fun I've ever had in my whole life. When you get out of the Navy, I hope I get to keep you as long as they did. Even longer! Really just as long as you could possibly stand me. I know I'm hard to put up with sometimes, but I'd love to make it up in the future! Ha! I hope the Navy takes very good care of you while you're away. If they don't, then I'll make it up to you when you come home. I'll take sure of that! I really enjoy going steady with you and I hope we never break up!

If everybody loved somebody else as much as I LOVE you, this would be a beautiful world to live in. Remember that night you were helping me study for my Science Exam? Boy, how could you ever forget? I've enjoyed meeting your mom & relatives. I love them all! You've really made a change in my life and I'll NEVER, EVER forget you! Not in a million years. Good luck in the future to the

cutest, nicest, sweetest, friendliest, wonderfulest, greatest person in the whole world. To me you're someone special and you always will be.

Love you forever,

Brida H.

always,

S W A K
